- I. General
  - A. The SPA will fly under currently existing AMA safety rules
  - B. No alcoholic beverages will be allowed at a flying site.
  - C. A frequency control system will be set up by the safety committee or contest director and it will be mandatory that the system be in operation at all times. No pilot may operate his transmitter without possession of the frequency pin designating his frequency. A frequency flag should be attached to each transmitter antenna.
  - D. A list of safety rules shall be posted at the field which delineates the areas out of bounds for flying, the patterns relative to wind direction, and general rules to be imposed by the safety committee with the executive committee’s consent.
  - E. When nonmembers are to fly, adequate inspection of AMA and FCC credentials are mandatory. This will be done, preferably by a member who knows the person, but may be done by any member present.
- II. Contest Flying  
Variance or additions to the rules can be made at the discretion of the contest director in the course of conducting a contest. Enforcement of the safety rules during contests is the responsibility of the contest director or his designated safety representative.
- III. Courtesy Reminders

Spectators stop at the field both out of curiosity and possible serious interest. In any event, they should be personally greeted, treated in a friendly manner, and generally encouraged to pursue their interests.
